

Air Leak Tester that is Sophisticated yet Easy-to-Use

AIR LEAK TESTER LS-R700

■ Features

Easy-to navigate and intuitive interface with simple menu configuration

Waveform Display of Test pressure and Differential pressure

User selectable multi-language capability: English, Japanese and Chinese

USB Port for easy test data management

Mastering feature provides highly accurate test results

Air-operated valve performance, DPS/PS Offset, CPU

performance and others

Intuitive operation makes test parameter programming easy.

Self-check

Measurement screens are selectable among 3 depending on the situation

Settings Menu is easy-to-follow. The Guidance Bar at the bottom gives you a simple explanation what the item is.
